AN INTERVIEW WITH GEV. FORREST.

From the Courier-Journal ] NASHVILLE. March 9.-A few days ago, General Forrest, and Major Minor Merriwether, engineer of the levees on the Mississippi, were my companion part of the way from New Orleans. have no doubt a sketch of some of the conversation which transpired between us will interest the readers of the Cou-

rier-Journal. EMIGRATION TO THE SOUTH As we passed through beautiful tracts of country, lying waste, I seked General Forrest how it ever could be populated "With negroes," was his reply." They are the best inborers we have ever had in the South. Those among us during the war behaved in such a manner that shall always respect them for it, and would not have one of mine back, nor have them enslaved, if I could. My house servants," continued he, "are with me yet in Memphis, and never would leave me."
"But," said I, "you have had the

"It is not true," he said with energy "I have always felt kind towards them The Chair was about to perfect the resolution of Judge Wright to the meeting, when Judge Dickson arcse and saked that I was not to man, stated that I was not to man, stated that I was not to suthorize them to us. It is for all that the purport of the resolution be explained. He did not exactly see the oblighted fruids in the disposal of the last plained. He did not exactly see the oblighted fruids in the disposal of the last plained. He did not exactly see the oblighted fruids in the disposal of the last plained. He did not exactly see the oblighted fruids in the disposal of the last plained. He did not exactly see the oblighted fruids in the disposal of the last plained. He did not exactly see the oblighted fruids in the disposal of the last plained. He did not exactly see the oblighted fruids in the execution of the law, did all I could to stop the firing." But how, General, continued I, are you to apprehend them. He, as one of a to apprehend th and always treated them kindly. Even can lidate, such action would produce ten, with one experienced leader in each this result. If this committee was intended merely to ascertain the feelings of the people, and report accordingly, he was not opposed to it, but if it was in-tended as a "cut and dried" thing to cominate candidates, which the bar af- come; then, I say, let's get Africans.
